This fairy tale, the newest addition to Birmingham Ballet's repertoire, delivers a magical adventure that all ages will enjoy. Students will be enchanted by Princess Aurora, spellbound by fairies and thrilled by valiant Prince Florimund in his battle to overcome the evil spell cast upon his beloved. In her distinctive captivating style, choreographer Cindy Free weaves traditional elements of this favored ballet with fresh innovation of her own - creating for us a magical world of fantasy and possibilities where we can experience happily ever after.
